Why limit yourself to the tarmac, when the parks, grasslands and countryside are still calling? Our super-strength Landranger models are built for the great outdoors.

LUXURY IN THE COUNTRY

Like a luxurious SUV, the Landranger Deluxe gives you the strength with refinement and power with comfort. Ready for all sorts of terrain, it cushions you from the rougher edges.

SMOOTH EVEN ON THE ROUGH

With a shock absorption system as well as suspension, you can ride comfortably in luxurious seats, and always stay in control, through every dip in the landscape.

COMPACT AND LIGHTWEIGHT

The smaller and lighter of our two Landranger models, the Deluxe is designed for adventure with a short 55" frame.
